Favorite Type of  
Service: What are your strongest talents?

Other Hobbies/Interests:

What are your greatest weaknesses?

What are three things that you really like about yourself?

If you could change any decision you've made in your life, which would you reconsider?

If you could be fluent in another language, which language would you choose?

What is a common misconception about you?

What would you do if you knew that you could not fail?

Of all your life's accomplishments so far, which one are you most proud of? Of all the words people use to describe you, which one do you like most?

What do you like most about your friends?

Who is the best role model you have ever met and why?

If you could have super hero powers, what unique abilities would you choose?

If you could live one day over again in your life, which would you choose and why?

What can you do better than anybody else?

What was the biggest adventure of your life?

If you were asked to teach a class on something, what would you teach?

Who would you like to spend an entire day with and why?

What is one time you exemplified leadership?

What is one time you exemplified friendship?

What is one time you exemplified service?

Something you'd like to share with your little (activity, tradition, etc):

Do you have any littles? How many? How many active?  
Why do you want one this semester? Will you be able to  
take a little in a future semester?

What type of relationship would you like with your little?

As a big, what would you like to see out of your little  
at the end of the pledging process?

If someone is upset with you how do you resolve the  
conflict?

What do you think are the three most important qualities of  
the ideal big?

What things did your big do that you would like to do for  
your little?

What things did your big do that you would like to do  
differently?

What do you like best about APO?

What time commitments other than APO do you have this semester?

Are there any potential new members that you absolutely do not want to be paired with, and why?

Do you have any other concerns about being a big this semester? This is your chance to tell me anything at all that might influence the pairings process.
